

# **PORCELAIN PAVING**

**TEXTURED RANGE**

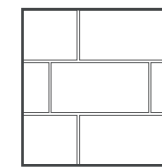

## Moonstone

Our textured porcelain paving slab is a perfect choice for those looking for a stylish and practical outdoor paving solution. With its non-slip finish and sturdy construction, this slab is ideal for use in patios, gardens, and pool areas. The textured surface provides excellent traction, ensuring safety even when the surface is wet. This paving slab is sure to make your outdoor space look and feel fantastic. This stunning paving is designed to replicate silver grey natural sandstone.
